Summary

Digital Systems Engineer with practical experience in internal business systems, application integrations, e-commerce workflows, and operational improvements. Develops and maintains features, connects business applications, and supports workflows across operations, HR, inventory, and finance using PHP, Laravel, JavaScript, and MySQL.

Technical Skills

- **Frontend:** HTML, CSS, JavaScript, Tailwind CSS, Bootstrap, Vite
- **Backend:** PHP, Laravel
- **Database:** MySQL, MongoDB
- **Platforms and integrations:** Shopify, Odoo, n8n, API integrations

Experience

Digital Systems Engineer
Gran Casa Blanca Corp.
September 2025 – Present

- Develop and maintain features in CoreOps, an internal business system that supports operations, e-commerce, HR, inventory, asset accountability, billing and finance, and reporting
- Work on integrations between company applications, including Shopify, Odoo, n8n, LogiX, SCM, and TallyPoint
- Co-developed and maintain Shopify-connected workflows for order management, inventory transfers, abandoned checkouts, and product pull-outs
- Connected n8n workflows to CoreOps for SMS logs and workflow monitoring; built reusable SMS templates with Excel import and optional OpenAI-assisted message generation
- Developed attendance and schedule monitoring and time-off request features in CoreOps; worked with the HR supervisor on approval and synchronization workflows with Odoo
- Integrated the TallyPoint barcode utility, developed by my manager, with CoreOps for outgoing B2B orders and incoming returned-stock transfers

Web Developer Intern
Bataan General Hospital and Medical Center
February 2025 – May 2025

- Worked on a web registration system using HTML, Tailwind CSS, JavaScript, Laravel, PHP, and MySQL
- Collaborated with staff to analyze project requirements and improve the user experience
- Gained hands-on experience in web development in a real-world setting

Education

Bachelor of Science in Information Technology
Eastwoods Professional College of Science and Technology
2021 – 2025
